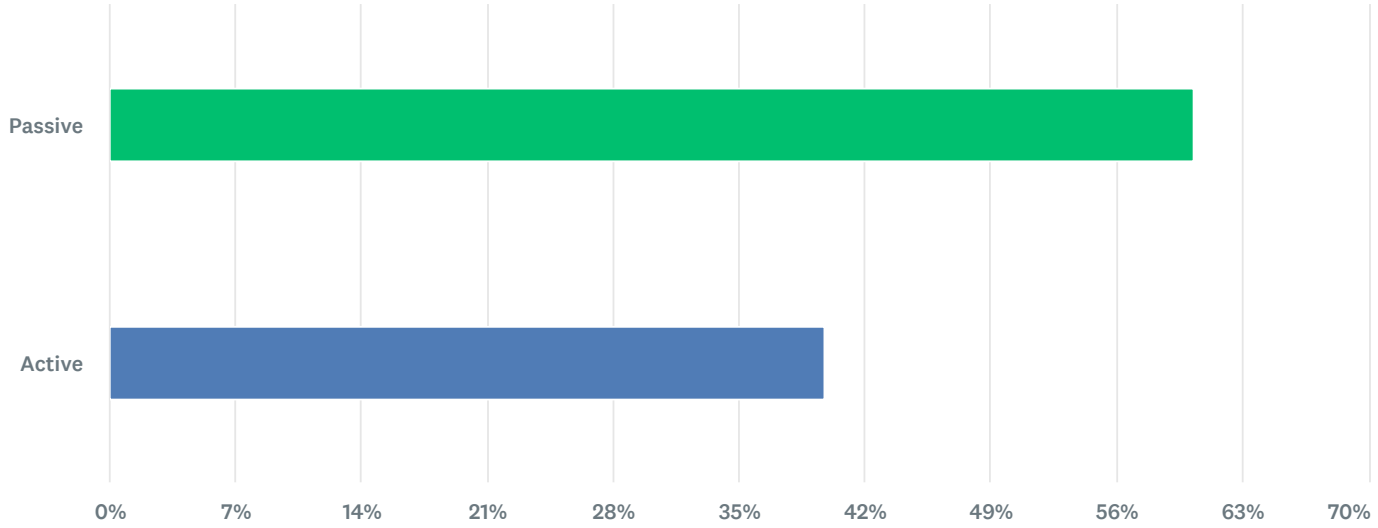
Should Montreal Park remain more passive (natural, unstructured) or active (sports courts or fields, programmed activities)?



Q8 Are there any specific features (trees, trails, structures) that should be protected with the master plan for Montreal Park?

12	I do enjoy the shaded tree coverage around the park, but do wish the dog park had more visibility as it's hidden away. I'm often the only one there & feel unsafe. With the recent arrest of a man hanging out at pavilion in his underwear, I no longer feel safe going to the park at all & now avoid it. It's sad as the park was a fav feature of mine when I purchased my home here in 2001. Regarding trails, when it rains, the wood chips often mix with the red clay & it becomes dirty to walk on & more maintenance. Gravel trails are harder to walk on & not good for dogs either.	9/11/2026 7:32 PM

33	IT INFURIATES ME TO SEE SO MUCH CLEAR CUTTING. WE WERE TOLD THE TREES WERE BEING CUT BECAUSE OF PINE BEETLES, BUT THEN THE TREE CUTTING CREW JUST LEFT ALL OVER THE GROUNDS, VERY LONG TRAILS OF WOOD CHIP PIECES TROM THOSE VERY INFESTED PINE TREES; SO THIS MEANS 1) THE PINE BEETLE THING WAS A LIE OR 2) THE TREE CUTTING CREW DID A POOR JOB WITH REMOVING DEBRIS OR 3) BOTH.	9/4/2026 5:33 AM
34	please keep the swings!! trees are also very important during the summer since it provides a natural shade.	9/3/2026 9:27 PM
35	Older, larger trees, as well as newer to medium sized trees that will eventually replace the older trees once they die/are removed. Room for outdoor exercises for locals such as pilates.	9/3/2026 11:45 AM
36	This tree canopy is really important for the area and this park is one of the few places in the surrounding area where the canopy can be protected. Trails and adjacent playground will allow it to be a nature-learning and nature-play destination for kids growing up here. The big trees are most important.	9/3/2026 11:05 AM

50	Please save as much of the natural beauty of the area as possible. We enjoy our daily walks on the trails,	9/2/2026 1:15 PM
51	I want to see the tree cover protected. As Tucker is growing the overall tree cover is reducing and this park feels like a logical place to protect that.	9/2/2026 1:13 PM
52	Trees. Shade is hard to come by. Also reduces 285 noise	9/2/2026 1:00 PM
53	Keep as many trees as possible!	9/2/2026 12:58 PM
54	I like having green space and walking trails in the neighborhood.	9/2/2026 12:49 PM

63	We would love to see a mix of trails and playground equipment that is more updated for a wider age group.	9/1/2026 6:40 PM
64	The trails, trees, field…they're all so beautiful, peaceful, and seemingly healthy. The nature is what I love the most about the park.	9/1/2026 5:26 PM
65	As a passive park, retain as much nature as possible and keep the organized sports out! It's in a neighborhood- keep it neighborly!	9/1/2026 5:18 PM
66	Open space on montreal way side is frequently used for picnics, yoga, frisbee, etc. Protect that existing space and develop parking on the alcan side where it is easier to enter from the street and makes it easier for folks to park and go straight to the dog park.	9/1/2026 4:56 PM
67	The woodland is the nicest part. Half of it has no trails, which could be improved.	9/1/2026 3:32 PM
68	Keep as many trees as possible. It's lovely hiking in the shade.	9/1/2026 3:18 PM
69	Keep current pavilion, trails (covered with wood chips, etc), the two large green spaces	9/1/2026 2:57 PM
70	I LIVE ON ALCAN WAY DIRECTLY ACROSS FROM THE PARK...ONE OF THE REASONS I BOUGHT MY HOUSE 22 YEARS AGO. I WISH THE PARK COULD JUST STAY HOW IT IS. THERE IS NO NEED FOR PARKING AND BATHROOM STRUCTURES ON ALCAN WAY!!!	9/1/2026 2:46 PM
71	The pavilion and trees	9/1/2026 2:43 PM
72	Trails and older, healthy trees	9/1/2026 2:36 PM
73	Old-growth trees should absolutely be saved wherever possible. Increasing the number of trees would also be preferred to increase shade. It is HOT more trees the better.	9/1/2026 2:33 PM
74	Protect the shaded areas, many deer feed from the forested area. Make the walking trails easier to follow and cleared of debris. Keep the dog park but maintain mowing it regularly.	9/1/2026 2:33 PM

37	NOT vehicular access into park. Create space for people, not cars.	9/3/2026 11:45 AM
38	Leave it as rural as possible, which is hard given its location. and since Montreal Rd will be an even larger cut through for the next 20 years with the 285 expansion, this park does not need loads more people traffic or parking. Let it remain a hidden, local gem to be discovered and not advertised as Look, we have (insert type) bathrooms. 14	NONE. There are nearby street parking places, and very little surrounding public spaces/parks. Please preserve space for humans and not cars. Everywhere is already dominated by cars, and we collectively need to reverse course on car dominance of human spaces.	9/3/2026 11:45 AM

1	More security Better access to the park More walkability	9/30/2026 8:41 PM
2	We never go there cause it’s not that big. If you can add some trails and some fun things then we go more and add things that can be chosen to be PokéStops and then you’ll get a lot more people too.	9/30/2026 3:30 PM
3	More green space not parking lots or bathrooms please. Not enough people visiting to warrant this. Thanks!	9/30/2026 1:08 PM
4	Parking is needed but should not overwhelm the park. Keep it as natural as possible and maintain/enhance walking access from within the neighborhood and surrounding area. Connect to bike trails.	9/29/2026 10:53 AM
5	Just do something with it. Make it look nice.	9/19/2026 10:04 AM
6	I’d like the city to consider accessibility and walkability to, from, and within the park as part of the master plan process.	9/16/2026 8:56 PM
7	Keep the trees shading Alcan.	9/13/2026 7:00 PM
8	Benches along walking trails.	9/12/2026 12:13 AM
9	Access to drinking water	9/11/2026 8:32 PM
10	Death & Life of Great American Cities by Jane Jacobs. This book has an entire chapter on neighborhood parks. One of the biggest elements is safety & eyes on the park. Making the most used structures / amenities easily visible to the neighbors & surrounding streets so people feel seen & safe. In the cul de sac off the park, we often have people sitting in their cars smoking pot since it's hidden away. I don't like the idea of a parking lot or parking spaces as I believe this will attract more similar behavior and homeless people sleeping overnight in their cars.	9/11/2026 7:32 PM
11	Create a space for folks to enjoy nature in	9/11/2026 4:22 PM
12	multi age use, not just playgrounds. Incorporate playground elements INTO the park, don’t make them the focal point. Take into account extreme heat (kids can’t play on too hot metal structures in summer. Infuriate sgade.	9/10/2026 2:28 PM
13	Get rid of the used-automobile businesses littering Lawrenceville Highway.	9/10/2026 2:00 PM
14	Please add a skatepark.	9/9/2026 11:58 AM

31	Add a Skatepark	9/8/2026 1:49 PM
32	I think they should consider a skatepark to have more people go to the park	9/8/2026 1:42 PM
33	Definitely a skatepark, we need more activities in the park	9/8/2026 1:30 PM
34	Skate park	9/8/2026 1:20 PM
35	Add SkatePark	9/8/2026 1:00 PM
36	A skatepark	9/8/2026 12:44 PM
37	A skatepark it would change Tucker for the better	9/8/2026 12:36 PM
38	Please add a skatepark. The city of Tucker is in desperate need of a place where children can skateboard, ride bikes, etc.	9/8/2026 12:36 PM
39	Skatepark PLEASE	9/8/2026 12:34 PM
40	Add a skatepark	9/8/2026 12:31 PM
41	Skatepark, please!	9/8/2026 12:30 PM
42	Skatepark please	9/8/2026 12:18 PM
43	Skatepark	9/8/2026 12:17 PM
44	Keep the swings!	9/5/2026 10:35 PM
45	PLEASE READ THIS VERY CLEARLY: NO RESTROOMS PERIOD. THIS WILL ONLY ATTRACT PEOPLE COMING FOR SEX. SUPER IMPORTANT: AS TAX PAYERS AND HOME OWNERS OF MONTREAL WOODS, WE HATE THE INCREASING WESTBOUND NOISE FROM COMING FROM THE EXPANDJNG HIGHWAY AND IF YOU ADD A DUMB ROAD LR PARKING SPACES TO THE PARK, YOU WILL JUST BE MULTIPLYING THE NOISR BY CAR VOLUME. DO NOT DO IT! No! Don't! NOOOOOOO !!! PLEASE DELETE QUESTION 7 BECAUSE IT IS VERY POORLY PHRASED, TOO REDUCTIVE, NOT CLEARLY PHRASED, AND IT WILL NOT GIVE YOU VALID DATA. It is overly simplistic to ask us to pick one of only two options, which are each vague: "passive" versus "active".	9/4/2026 5:33 AM
46	Please do not destroy more nature for parking. Most people who use this park live nearby within walking distance, bus stop distance, or can use nearby street parking. If you must incorporate any dedicated parking, please only do so for ADA spaces and let able-bodied people utilize surrounding street parking. Preserve the space for humans! Also, please do not use rubber trail materials as these leech toxic carcinogens into the ground water, and eventually into humans through consumption. Please prioritze space for nature, exercise and activities for humans, public restrooms, and ADA accessibility.	9/3/2026 11:45 AM
47	I would consider longevity of the structures, installations, and parking lot, where they do not demand as much ongoing upkeep and will last a long time. I also recommend the parking to not be on Montreal way and maintain that as a tree buffer between the park and the busy road, to reduce noise entering the park.	9/3/2026 11:05 AM
48	No bathrooms no bathroom no bathrooms and limited parking. this area is already inundated with cut through traffic and when 285 expansion begins, we shall have even less peace in the neighborhood. don't burden us with tons of extra cars, at least not right now.	9/3/2026 10:57 AM
49	Consider the neighborhood	9/3/2026 7:02 AM

50	Smooth ground for the trails to allow moms to walk with strollers	9/2/2026 11:09 PM
51	If restroom facilities are added and they are combined with a pavilion, do not have the restroom doors/entrance on the same side where picnic tables are located. This is the design used at William McKinley Peters Park. This is not good. Having the restroom doors next to the picnic tables is like having a restroom door open into your dining room.	9/2/2026 10:55 PM
52	Do not put restrooms in, and do not put parking on Alcan.	9/2/2026 8:23 PM
53	Water	9/2/2026 5:54 PM
54	Adding community garden. More trails and save trees.	9/2/2026 5:17 PM
55	If this is funded by the city then all city residents should know about it and have easy access.	9/2/2026 3:29 PM
56	Disc golf	9/2/2026 2:01 PM
57	connect to trails; make bike paths	9/2/2026 2:01 PM
58	Safety is a big issue with the park already used at times by illegal elements...drugs, prostitution; there have been times in the past when homeless folks found shelter there as well.	9/2/2026 1:15 PM
59	Trail connections and sidewalks to park	9/2/2026 1:00 PM
60	Please consider the peace and quiet of the people who live near the park.	9/2/2026 12:37 PM
61	Please consider a small skateboarding section with some smooth paved trails for skating and using skooters. Older kids NEED places like this. Most parks are for young children or dogs or adults. Teens have very few safe places to hang out and explore. Brook Run in Dunwoody has an amazing skate/skooter park. A smaller version would be great in this area!	9/2/2026 8:35 AM
62	Shade over playground	9/2/2026 7:55 AM
63	Filtered water station / dog fountain	9/2/2026 6:48 AM
64	Create shade for playgrounds, dog park and trils	9/2/2026 12:18 AM
65	Keep the tree limbs on Montreal Road East cut back. When my husband cleans that part of the park it is very dangerous for him. I won't even walk along that space for litter. Clean up the woods interior where people place lots of litter, and it is hard to clean it up as volunteers.	9/1/2026 8:05 PM
66	It's great as it is!	9/1/2026 7:26 PM
67	Hire someone or firm who knows what they are doing!! Worked for the Town Green!	9/1/2026 5:18 PM
68	If a community garden is installed please include both water and electric so non-gas tools can easily be used.	9/1/2026 4:56 PM
69	Please do not add restrooms to our park. This park should be maintained for neighborhood individuals. We already struggle with drugs, guns, and increased unhoused population in the park. By adding a restroom, this will only increase these issues. I have taken my young son to the park and found needles, and witnessed public sexual acts. This is not the behavior I want to invite into my neighborhood. We also do not want a parking lot. I would like to see our neighborhood park be catered to our neighborhood.	9/1/2026 4:33 PM
70	The planners seem intent on restroom facilities. There are low rent motels in the area that attract drug users and prostitutes and the park can be a magnet for such activity. Bathroom maintenance often becomes a victim of budget cuts. Adding restrooms is a bad idea. It's a small park so try to be as minimalistic as possible with respect to changes or you'll ruin the character of the park.	9/1/2026 3:32 PM
71	Keep the park passive- neighborly A way to discourage others from nearby counties/ neighborhoods coming in to smoke pot / buy drugs.	9/1/2026 2:57 PM
72	PLEASE LEAVE THE PARK ALONE AND LEAVE IT THE WAY IT IS.	9/1/2026 2:46 PM
73	No bathroom facilities. Asking for triuble	9/1/2026 2:43 PM
74	I do not want permanent, fixed restrooms. I’m perfectly fine with porta potties that can be maintained by a porta pottie company. As the park is so close to 285 I’m apprehensive that permanent restrooms will attract an undesirable element to the park. People will be looking for	9/1/2026 2:36 PM

	shelter and possibly a place to do hard drugs. I also am skeptical of how well permanent bathrooms will be maintained.	
75	Wildflower borders around the play structures and fields reduce mowing and increase floral interest and insect habitat.	9/1/2026 2:33 PM
76	Consider putting in a camera facing the cul de sac on Montreal Way. Many cars park there for nefarious reasons (to smoke weed, shoot guns, loud cars doing donuts). Let these people know that Tucker secures the area and won't tolerate law breaking.	9/1/2026 2:33 PM
77	More police patrols/presence.	9/1/2026 2:08 PM
78	Will bathroom facilities be used by non-Tucker or non-Montreal Woods people? Upkeep/cleanliness/safety of facilities must be ensured.	9/1/2026 2:04 PM
79	Water feature	9/1/2026 1:08 PM
80	Perhaps safety stops in the shaded/"hidden" parts of the trail. A dedicated line to call 911 may be out of the question, but perhaps an installed noise maker, horn, or something that can draw attention. I like the shaded portion of the trail, so visibility throughout the park is not ideal, but the addition of safety features will be appealing.	9/1/2026 1:06 PM
81	Water feature	9/1/2026 12:58 PM
82	Time it takes to complete the whole plan as construction will disrupt community flow while construction is going on. I hope efficient, thorough but quickly. Thank you for allowing feedback through this survey.	9/1/2026 11:50 AM
