## TASK ORDER 46 BACKGROUND FILES

### **General conditions**

1. The Contractor shall maintain access to residential properties as necessary by detours or covering of the work area when not mobilized.
2. The Contractor shall furnish, install, maintain and remove all necessary traffic signs, barricades, lights, signals, cones and other traffic control devices, and all flagging and other means of traffic protection and guidance as required by Special Provision 150 of the Georgia Department of Transportation. Such work shall be considered incidental to the overall contract, and no additional compensation will be made.
3. The Contractor will be responsible for calling in and identifying utility locations. The City shall be notified of any potential utility conflicts.
4. The work is intended to be conducted within the city right of way and established drainage easements. If necessary, the city will obtain all easements and right of entries which may be necessary to execute the repair.
5. Specifications for repair activities in accordance with Georgia Department of Transportation Standards
6. City of Tucker ordinances and regulations.
7. OSHA standards and guidelines.
8. Any other applicable codes, laws and regulations including but not limited to Section 45- 10-20 through 45-10-28 of the Official Code of Georgia Annotated, Title VI of the Civil Rights Act, Drug-Free Workplace Act, and all applicable requirements of the Americans with Disabilities Act of 1990.
9. All disturbed areas shall be restored to site conditions prior to disturbance, or better.
10. Refer to organization chart below for city assigned staff for this project. The city reserves the right to substitute staff at any time during the contract period.

11. Reference schedule of values from Cost Proposal Form and exhibits for particular details.
12. The contractor is responsible for inspecting the job site prior to submitting a bid and encouraged to do so. No change orders will be issued for differing site conditions.
13. 5% retainage will be withheld from the total amount due the contractor until Final Acceptance of work is issued by the City. City staff will inspect the work as it progresses.

### **Special Conditions**

#### Pay Item 4. Storm Line Cleaning

1. These line items contemplate the use of high velocity water jetting of silty and/or sandy sediment.

2. These line items include the cost of capture and haul off of any water and suspended sediment removed from the cleaned conduits and structures.
3. The contractor is responsible for providing their own water source and associated expenses and fees to provide that water. Any water taken from public hydrants must be metered through the utility provider.
4. The contractor must contain all removed material in leak-proof containers, transport to an approved disposal facility or landfill licensed to receive such waste, and provide weigh tickets or disposal receipts with final report.

#### Pay Item 6. Specialty Storm Line Cleaning

1. For large debris, Specialty Storm Line Cleaning is paid on a linear foot basis of the distance upon which the material is moved after standard storm line cleaning (items 4 and 5). For root cleaning, the linear foot basis is the length of pipe affected with roots and length of pipe over which a root removal tool is utilized after standard storm line cleaning is employed.
2. The determination for Specialty Cleaning deployment and its quantity will be determined in conjunction with and subsequent to the standard storm line cleaning.
3. For the 5256 Antelope Lane location, the specialty cleaning task unit price shall include the labor and tools necessary to remove the tension wires used for transport of pipe.

#### Pay Item 39. Earthwork and Grading

1. “Grading Complete” are those activities, including but not limited to excavation, demolition, backfill and grading not identified in the unit price quantities schedule to ensure that the completed grading work conforms to the horizontal and vertical alignment and typical cross-sections shown on the plans or directed by the engineer of record.
2. Pay Item 41.2: Debris Removal, Tandem Dump Truck
3. This line item is intended to pay for the use of the truck, including mileage. The quantity of material hauled will be measured and scheduled under a different line item

#### **PROSECUTION AND PROGRESS**

The Contractor will mobilize with sufficient forces such that all construction identified as part of this contract shall be substantially completed by 120 calendar days. The contractor will be considered substantially complete when all work required by this contract has been completed.

The normal workday for this project shall be 8:00AM to 7:00PM and the normal workweek shall be Monday through Friday. The City will consider extended workdays or workweeks upon written request by the Contractor on a case-by-case basis. No work will be allowed on national holidays (i.e. Memorial Day, July 4th, Labor Day, etc.).

The work will require the bidder to provide all labor, administrative forces, equipment, materials and other incidental items to complete all required work. The City shall perform a Final Inspection upon substantial completion of the work. The contractor will be allowed to participate in the Final Inspection. All repairs shall be completed by the contractor at the contractor's expense prior to issuance of Final Acceptance.

The contractor shall be assessed liquidated damages in the amount of \$500.00 per calendar day for any contract work that is not completed by 120 calendar days. Liquidated damages shall be deducted from the

5% retainage held by the City. The contractor will also be assessed liquidated damages in the amount of \$200.00 per calendar day for not completing any required Punch List work within 45 calendar days.

The contractor shall provide all material, labor, and equipment necessary to perform the work without delay until final completion.

### **PERMITS AND LICENSES**

The contractor shall procure all permits and licenses, pay all charges, taxes and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work.

### **BONDING AND INSURANCE REQUIREMENTS**

No bid may be withdrawn for a period of ninety (90) days after the bid deadline/opening.

All bids must be accompanied by a Bid Bond of a reputable bonding company authorized to do business in the State of Georgia, in an amount equal to at least five percent (5%) of the total amount of the bid.

Upon Notice of Award, the successful contractor shall submit a Performance Bond payable to the City of Tucker in the amount of 100% of the total contract price. The successful contractor shall also submit a Payment Bond in the amount of 100% pursuant to O.C.G.A. § 36- 91-70 and 90.

Upon Notice of Award, the successful contractor shall procure and maintain the following insurance policies:

1. Commercial General Liability coverage at their sole cost and expense with limits of not less than \$3,000,000 in combined single limits for bodily injury and/or property damage per occurrence, and such policies shall name the City of Tucker as an additional named insured.
2. Statutory Workers Compensation and Employers Liability Insurance with limits of not less than \$1,000,000, which insurance must contain a waiver of subrogation against the City of Tucker and its affiliates.
3. Commercial automobile liability insurance with limits of not less than \$1,000,000 combined single limit for bodily injury and/or property damage per occurrence, and such policies shall name the City of Tucker as an additional named insured.

### **EXISTING CONDITIONS / DEVIATION OF QUANTITIES**

All information given in this ITB concerning quantities, scope of work, existing conditions, etc. is for information purposes only. It is the Contractor's responsibility to inspect the project site to verify existing conditions and quantities prior to submitting their bid. This is a Unit Price bid and no payment will be made for additional work without prior written approval from the City. At no time will Contractor proceed with work outside the prescribed scope of services for which additional payment will be requested without the written authorization of the City.

The City reserves the right to add, modify, or delete quantities. The City may also elect to add or eliminate certain work locations at its discretion. The Contractor will not be entitled to any adjustment of unit prices or any other form of additional compensation because of adjustments made to quantities and/or work locations. Contractor will be paid for actual in-place quantities completed and accepted for pay items listed in the Bid Schedule. All other work required by this ITB, plans, specs, standards, etc. but not specifically listed in the Bid Schedule shall be considered "incidental work" and included in the bid prices for items on the Bid Schedule.

### **TRAFFIC CONTROL**

The contractor shall, at all times, conduct their work so as to ensure the least possible obstruction of traffic.

The safety and convenience of the general public and the residents along the roadway and the protection of persons and property shall be provided for by the contractor as specified in the State of Georgia, Department of Transportation Standard Specifications Sections 104.05, 107.09 and 150.

Traffic, whose origin and destination is within the limits of the project shall be provided ingress and egress at all times unless otherwise specified by the City. The ingress and egress includes entrances and exits via driveways at various properties, and access to the intersecting roads and streets. The contractor shall maintain sufficient personnel and equipment (including flaggers and traffic control signing) on the project at all times, particularly during inclement weather, to ensure that ingress and egress are safely provided when and where needed.

Two-way traffic shall be maintained at all times, unless otherwise specified or approved by the City. In the event of an emergency, the Contractor shall provide access to emergency vehicles and/or emergency personnel through or around the construction area. Any pavement damaged by such an occurrence will be repaired by the Contractor at no additional cost to the City.

The contractor shall furnish, install and maintain all necessary traffic signs, barricades, lights, signals, cones and other traffic control devices, and all flagging and other means of traffic protection and guidance as required by Special Provision 150 of the Georgia Department of Transportation. Such work shall be considered incidental to the overall contract, and no additional compensation will be made.

### **CLEANUP**

All restoration and clean-up work shall be performed daily. Operations shall be suspended if the contractor fails to accomplish restoration and clean-up within an acceptable period of time. Asphalt and other debris shall be removed from gutters, sidewalks, yards, driveways, etc. Failure to perform clean-up activities may result in suspension of the work. Milling operation shall be followed immediately by clean-up at which the contractor is to provide power brooms, vacuum sweepers, power blowers, or other means to remove loose debris or dust. Do not allow dust control to restrict visibility of passing traffic or to disrupt adjacent property owners. All pavement areas shall be clean and dry prior to placing tack coat, asphaltic concrete or other materials.

### **SAFETY**

Beginning with mobilization and ending with acceptance of work, the contractor shall be responsible for providing a clean and safe work environment at the project site. The contractor shall comply with all OSHA regulations as they pertain to this project.

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

**What's New**

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

WHEREAS, the Principal desires to file this Bond in accordance with law in lieu of a certified  
Bidder's check otherwise required to accompany this Proposal.

NOW, THEREFORE, the conditions of this obligation are such that if the bid is accepted, the  
Principal shall within ten days after receipt of notification of the acceptance execute a Contract  
in accordance with the Bid and upon the terms, conditions, and prices set forth in the form and  
manner required by the City of Tucker, Georgia, and execute a sufficient and satisfactory  
Performance Bond and Payment Bond payable to the City of Tucker, Georgia, each in an  
amount of 100% of the total Contract Price, in form and with security satisfactory to said the  
City of Tucker, Georgia, and otherwise, to be and remain in full force and virtue in law; and the  
Surety shall, upon failure of the Principal to comply with any or all of the foregoing  
requirements within the time specified above, immediately pay to the City of Tucker, Georgia,

upon demand, the amount hereof in good and lawful money of the United States of America, not as a penalty, but as liquidated damages.

PROVIDED, FURTHER, that Principal and Surety agree and represent that this bond is executed pursuant, to and in accordance with the applicable provisions of the Official Code of Georgia Annotated, as Amended, including, but not limited to, O.C.G.A. § 13-10-20, et. Seg. And § 36- 91-50, et. Seg. and is intended to be and shall be construed as a bond in compliance with the requirements thereof.

## GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT AFFIDAVIT

**GEORGIA E-Verify and Public Contracts:** The Georgia E-Verify law requires contractors and all sub-contractors on Georgia public contract (contracts with a government agency) for the physical performance of services over \$2,499 in value to enroll in E-Verify, regardless of the number of employees.

<b>Contractor Name:</b>	
<b>Solicitation/Bid number or Project Description:</b>	ITB 2026-002 STORMWATER SYSTEM REPAIRS

By executing this affidavit, the undersigned contractor verifies its compliance with O.C.G.A. § 13-10-91, stating affirmatively that the individual, entity or corporation which is engaged in the physical performance of services under a contract on behalf of the City of Tucker, Georgia has registered with, is authorized to use and uses the federal work authorization program commonly known as E-Verify, or any subsequent replacement program, in accordance with the applicable provisions and deadlines established in O.C.G.A. § 13-10-91.

Furthermore, the undersigned contractor will continue to use the federal work authorization program throughout the contract period as required by O.C.G.A. § 13-10-91(b) and the undersigned contractor will contract for the physical performance of services in satisfaction of such contract only with subcontractors who present and affidavit to the contractor with the information required by O.C.G.A. § 13-10-91(b).
