**ADDENDUM #2**

	<b>QUESTION</b>	<b>ANSWER</b>
1	Within the ITB document, there is SharePoint Link to “TO 44 ITB Support Files”. The link is not working through the PDF. Can you please share the link with me directly so I can access the files?	<p>Link works for others outside the organization. The City cannot email you directly, but here is the link.</p> <p><a href="#">TO 44 ITB Support Files</a></p>
2	Within the ITB document, under <i>Purpose, Intent and Project Description</i> , to download the complete scope and information for this task order 44, we must request information through this email. Could you please share the additional files with me?	<p>There have been no more documents created to be shared.</p> <p>The complete solicitation is: ITB 2026-014 Bid Manual ITB 2026-014 Addendum 1 This Addendum: ITB 2026-014 Addendum 2</p>
3	Can the Owner/Engineer please confirm what permits will be anticipated for the contractor to obtain, and what are the cost of those anticipated permits?	All of the work is to be completed within 50ft of the pipes. As such, this is classified as maintenance and will not require any permits.
4	Please confirm the required resin system, design criteria, and structural classification for all CIPP installations.	Per GDOT specifications.
5	What testing and acceptance standards apply to CIPP?	Per GDOT specifications.
6	What grout type and installation method are required for sealing pipe connections at all structures?	Per GDOT specifications.
7	What material is required for reconstructing the invert?	Hydraulic Cement
8	Can the Owner/Engineer please provide existing CCTV files of the proposed pipe segments?	Provided in the link in Question #1
9	Will the contractor be provided with a dumpsite for sewer debris at no cost?	No, the contractor must provide dumpsite.
10	Will the Owner provide water at no cost to the contractor for lining operations?	No, the contractor must provide a meter that can attach to a fire hydrant. No additional payment will be made for this.

ITB #2026-014  
ADDENDUM #2

11	Will the Owner provide an overnight parking site for equipment at no cost to the contractor?	No.
12	What is the budget for each location or overall?	The city does not disclose project budgets during the bidding process.
13	If funding is insufficient to award all seven locations, please confirm whether the Owner intends to remove locations from the award.	If unable to fund – this bid will be rejected and edits to the scope will be made by City staff and readvertised.
14	If locations may be removed, please provide the priority order or ranking of locations so bidders can understand how the Owner intends to sequence or select work based on available funding.	Unable to address at this time.
15	What is the required warranty for the scope of work?	1 – year on workmanship/labor. Materials are dependent on manufacturer.
